

THE GAZETTE.

THURSDAY EVENING, APRIL 18.

A LEAKY POET.—A disconsolate poet has undertaken to immortalize a recent steamboat disaster. The following melancholy stanza tells his version of the whole story:

"She heaved and sobbed, and sobbed and heaved,
And high her head she flung;
And every time she heaved and sobbed,
Worse leak she sprung."—*Picayune.*

Poole left a Mobile poet, when he saw the above, scratched his chin for a few seconds, and then scratched his paper with the following:

The water rushed in through the leak.
As hard as it could roar,
And the Captain walked the biter deck
A tar'n in his har.

The Captain walked the biter deck,
The boat she sunk and shivered;
Then down she went, and if she stopped,
The stop ain't been discovered.

The Capt'n to the top he riz,
And as he riz he said:
"The boat may go to shades below,
But save the chambermaid!"

A HORRIBLE CASE OF BURYING ALIVE is reported to have occurred in Jacksonville, Illinois. A beautiful young lady of seventeen, engaged to be married, was found in her bed one morning to all appearances dead. Several physicians examined the body and pronounced her so. She had taken chloroform for her teeth, and there seemed no possible doubt that the dose had been a fatal one. She was buried. A few days since her relatives, being to take a removal to another State, desired to take the remains with them. They opened the coffin and were horror-stricken to find the corpse turned over, both hands full of hair and the clothing torn to shreds. Chloroform had placed her in a deep trance, from which she awoke to find herself in her coffin and her grave.

ASTROLOGY.

THE WORLD ASTONISHED.
At the wonderful revelations made by the Great Astrologist,
MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from delectable events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue, and what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the past and hidden in the future. From the stars we see in the firmament—the vast fire stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished to those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address, **MADAME H. A. PERRIGO,**

THE GREAT TOMATO.—Maupass' Superior Tomato, in point of flavor, productiveness and perfection of shape, has no equal. It is of a deep red color, in form, like a slightly flattened globe, smooth or wrinkled. It is of medium size, and the flesh almost as solid as a beef steak. In proof of its solidity it may be stated that without being extraordinary large, the average weight is from nine to twelve ounces. One bushel will make as much as two of all as many cans as 2 bushels of the ordinary kind, and in point of flavor it is unsurpassable. As an evidence of the superiority of these tomatoes for marketing purposes they commanded ready sale at \$2 per bushel, when others were offered at \$1. The seeds will be mailed, to any part of the United States on receipt of 25 cents.

ADMINISTRATOR'S SALE OF REAL ESTATE.—Pursuant to a decree of the County Court of Fairfax county, 1 offer for sale the VALUABLE FARM, of which the late Rebecca Elgin died seized. Said farm lies upon the waters of "Scott's Run," adjoining the right hand corner of the Georgetown road, distant 12 miles from the latter town, containing 230 acres of excellent land, 80 acres of which is heavily timbered, and the remainder in a good state of cultivation, and all under good fencing. The improvements consist of a comfortable dwelling, and all other outbuildings, or necessary outbuildings. The superior quality of the land, its valuable timber and fine water power (a never failing stream passing through the premises), offer rare inducements to the agriculturist or artisan; its proximity to the Washington, Georgetown and Alexandria Railroad, and its pleasant neighborhood render it one of the most desirable estates in this section of country. If not sold at private sale before the June term of the County Court, (3rd Monday) 1867, I will, on that day, offer said premises at public auction, at Fairfax Court House, to the highest bidder. Terms reasonable, and made known on the day of sale—the title is indisputable. The subscriber, living near the premises will show the same to any person desirous of purchasing. CHAS. F. ELGIN, Administrator of R. Elgin, dec'd.
